BALLOT TITLES

This document contains two lists of the ballot titles for statewide initiatives and referred measures. The first list is in English, and the second list is in Spanish. The Spanish language translation was obtained from the Legislative Council Staff.

All of the titles, except for Referenda A and B are stated in the form of a question. Referenda A through B are in the form of statements as specified in the applicable legislation.

"Ballot issues referred by the general assembly or any political subdivision are listed by letter, and ballot issues initiated by the people are listed numerically. A 'yes' vote on any ballot issue is a vote in favor of changing current law or existing circumstances, and a 'no' vote on any ballot issue is a vote against changing current law or existing circumstances." - Section 1-40-115 (2), Colorado Revised Statutes
