The 1982 Abstract of Vote canvassed in December, 1982 by Mary Estill Buchanan, Secretary of State, has again been produced by computer. All county canvass of vote reports are checked for accuracy of total votes for each office and compared to the number of voters receiving a ballot (poll book count). Errors and discrepancies are returned to County Canvass Boards for correction.

Once all totals are correct, the computer processes the registration totals for the election, determines the number of persons not voting on that office, and computes the percentage registered but not voting.

Added in this 1982 publication is the analysis of registered voters casting a ballot (voter turnout). This feature is added to the "no" vote included in abstracts since 1976. With this addition, the published Abstract of Vote becomes a complete research document for the 1982 primary and general elections.

Since 1982 was also the first state-wide election conducted after reapportionment of congressional and legislative districts, other changes have been made in format. State Senate incumbents not on the ballot in 1982 are shown by the district number from which they were elected in 1980 with the new district in which they reside listed in parenthesis ().

The final change in the 1982 publication is in the Directory of Officials section. Since publication is several months after the canvass of votes which determines winners and losers, the Directory has been updated. It includes replacement appointments for persons elected to office who have failed to take the oath of office or who have resigned or died during their term of office.

The Sixth Congressional District Vacancy Election canvass of votes (March 27, 1983) is added as a supplement.

My goal is to provide accurate and complete canvass of vote totals, the resultant analysis of voter turnout and failure to vote for a special office or offices, and an updated Directory.

Your comments are appreciated as we continue to evaluate this publication.

Sincerely,

Natalie Meyer
Secretary of State
