

**Official Publication of the Abstract of Votes Cast for the
2008 Primary
2008 General**

To the Citizens of Colorado:

The information in this abstract is compiled from material filed by each of Colorado's 64 county clerk and recorders from the 2008 Primary and 2008 General elections.

I hope that you find this to be a useful tool in studying voting patterns in Colorado. In 2008, more than 2.4 million Colorado citizens exercised their franchise to vote. These votes helped elect a United States President, a U.S. Senator and seven U.S. Representatives. At the state level, voters weighed in on 14 statewide issues, 19 state senators and 65 state representatives, not to mention numerous judges, district attorneys and other county and local elected leaders.

As the state's chief election officer, I encourage the citizens of Colorado to take an active role in our democratic process by getting involved and exercising their right to vote.

Sincerely,

A handwritten signature in blue ink that reads "Bernie Buescher".

*Bernie Buescher
Colorado Secretary of State*
