2010 ABSTRACT OF VOTES CAST

Official Publication of the Abstract of Votes Cast for the

**2010 Primary
2010 General**

To the Citizens of Colorado:

The information in this abstract is compiled from material filed by each of Colorado's 64 county clerk and recorders from the 2010 Primary and 2010 General elections.

In 2010, more than 1.8 million Colorado citizens turned out to cast a vote for their government leadership. These votes helped elect a U.S. Senator and seven U.S. Representatives. At the state level, voters elected a governor, lieutenant governor, secretary of state, state treasurer, attorney general, three state board of education members, three CU regents, 19 state senators, 65 state representatives, a district attorney and other county and local elected leaders. Voters also retained numerous judges and weighed in on nine questions regarding changes to state law.

I encourage Colorado citizens to be actively involved in the democratic process—our democratic system of government is only as strong as the participation of its citizens. I hope you find this abstract to be informative.

Sincerely,

A handwritten signature in blue ink, which appears to read 'Scott Gessler'.

Scott Gessler
